Description of business:

My business is providing for customers about fashion design, this is like a local brand that open for age 15 to 35, it like a street wear fashion. Business is called Original Gangster (OG), this name means about Underground. And all designs descriptions are information about introducing the quality characteristics, functions, benefits ... of a product posted on the sales website to give viewers full information about the product for them to have. Base selection when purchasing.
